

Motorhome Parking at City Council Car Parks

Motorhomes can park at the City Council Pay and Display Car parks shown in the table below. These car parks do not have any height restriction barriers and are all surface car parks. Please see our parking maps for Lancaster and Morecambe to find the car park numbers, names and locations.

Standard pay and display tickets should be purchased for all bays used and motorhomes should not overhang parking bays. For longer motorhomes it is suggested end to end parking bays are utilised and two tickets are purchased. The locations of the car parks that have this type of parking bay are also shown below. Please remember the drivers of smaller vehicles and pedestrians when parking and please avoid any hazards such as steps and other accessories.

No sleeping is permitted in motorhomes on any of the Council's Car Parks

Morecambe

Car Park	Name	Shorter Vehicles (Fit in one bay)	Longer Vehicles end to end bays
1	Town Hall	√	√ Unlined Area
3	West View Road	√
